

Welcome to the 2021-2022 Georgia High School Rodeo Season!

All forms and grades will have to be uploaded to the National website www.NHSRA.com prior to the first rodeo. Remember all forms must be signed by both parents and contestants as well as notarized prior to being uploaded. If one parent has sole custody or is deceased you must write that on the forms. The only form you will bring to me at the first rodeo will be the signed parent waiver that is required at every rodeo. If these forms are not completed and uploaded, you will not be able to compete. I will include a check list of forms that need to be uploaded below. If you have any questions please don't hesitate to reach out to me.

Have a great year!

Amanda
